

“ This is the best location on Santorini to relax and to enjoy an amazing view with an amazing sunset. ”

Guest review from booking.com - September 2019

Located in Imerovigli on a unique spot perched high on the cliff, OMMA Santorini offers 360° views of both the Aegean Sea and the Caldera. Pure, serene, charming and elegant, there is a 'dreamy' factor to the area, with its breath-taking views, stunning sunsets and all of the above, alongside the most famous hiking trail on the island.

Rooms, Suites & Villas

OMMA Santorini features 30 individually designed rooms and suites, most with private plunge pools. The 5 private villas offer private swimming and rooftop plunge pools. Cycladic and minimal design tones showcase the island's natural beauty while the luxury amenities, spacious private outdoor areas and sea views, make staying at OMMA an unforgettable experience.
